# Introduction

Reliable Design & Technical Contracting LLC (ReliableDTC), strategically located its Head Office in Abu Dhabi, was founded in 2024 by a team of industry veterans with decades of collective expertise in engineering, manufacturing, sales, and management. Born out of a vision to redefine excellence in steel structure solutions, ReliableDTC was established to address the growing demand for precision-engineered, fabricated steel structures. From concept to completion, we specialize in designing, detailing, fabricating, and erecting a diverse range of structural steel projects, delivering unmatched quality and innovation to industries across the region.

At ReliableDTC, we are not just builders—we are pioneers. Leveraging cutting-edge design software and state-of-the-art fabrication technology, we ensure every project is executed with meticulous precision and efficiency. Our advanced facility, equipped with the latest machinery, enables us to handle complex steel structures with speed and accuracy, setting new benchmarks in the industry. Whether it's industrial warehouses, pipe racks, mezzanine floors, platforms, or equipment supports, we transform ideas into robust, reliable structures that stand the test of time.

Quality is the cornerstone of our operations. Through a stringent Quality Assurance Program, we eliminate errors and guarantee that every product meets international standards. Our portfolio spans a wide array of steel solutions, including GI Continuous Fences, GI Discontinuous Fences, Aluminum profile Fences, Decorative Fence, PVC ECO Fences, chain-link fencing, Handrails, and more. We also provide complementary services such as ladders, staircases, caged ladders, handrails, and versatile flooring systems like grating, decking, and chequered plates.

What sets ReliableDTC apart is our unwavering commitment to client-centric solutions. We understand that every project is unique, and we pride ourselves on delivering tailored, cost-effective, and innovative steel structures that exceed expectations. For industry professionals seeking a partner that combines technical expertise, cutting-edge technology, and a relentless pursuit of excellence, ReliableDTC is the name you can trust. Let us build the future of steel with you—stronger, smarter, and more sustainable.

# Introduction

ReliableDTC team delivers various strategic and dynamic projects. We work as a team to achieve shared goals. We are dedicated to the highest levels of quality and safety standards to meet the project and client requirements.

ReliableDTC is committed to on-time project deliverables with 100 % compliance with Quality, Safety and the well-being of our employees and interested parties. The supply chain management at ReliableDTC is relying on long-term association with a strategic partnership for specialized processes and activities.

Projects are planned and managed by qualified and highly motivated engineers, backed by experienced administrative and managerial personnel, modern Plant and equipment, as well as highly trained site personnel to guarantee on-time performance and high quality.

We are firmly committed to helping our clients and partners achieve the short- and long-term strategic goals of every project we do.

## ■ Main Activity – Landscape, Irrigation and Associated Services

- Hardscape and Softscape
- Irrigation network (Primary, Secondary and Drip line) and Maintenance
- Asphalt – PMB, Wearing, Binder, Basecourse
- Earthwork – Subbase, Subgrade
- Pavement and Road Marking

## ■ Main Activity – Steel & Metal

- Fabrication and Installation of steel structure.
- Metal Gate, Aluminum Gate, PVC Gate, Welded Mesh Gate, Sliding Rail Gate, Lightweight Swing Car Park Gate. PVC ECO panel Fence.
- Chain link Fence, Sand Fence, Heras Fence.
- Continuous Fencing. Discontinuous Fencing.
- Hording, Pedestrian Stand, Single Swing Gate, Double Swing Gate, Wicked Gate, Constriction Signage Board.
- Crane Girders. Pipe Works Mezzanine Floors. Warehouses.
- Bulk Handling Equipment.
- Handrail
- Car Parking Sheds.
- Cat ladders and Stairs
- Roof steel structure. Bollards.
- Access platform in risers.
- Billboards, Banners
- Outdoor signs
- Transit advertising
- Graphic Design and Printing
- Banner, Poster, Flag
- Traffic Sign Boards
- Underground Tank, Storage Tank, Fuel Storage Tank
- Street furniture
- Light Poles
- MEP Work
- Waterproofing

# Our Focus

**Vision:**

To be the premier provider of Fencing Solution, Steel fabrication M.S works products and full filling all commitments of customers or time to gain highest reputation in the market.

**Our Mission:**

Reliable Design & Technical Contracting LLC is poised to revolutionize the Fencing Solution, steel fabrication industry, aspiring to become the most innovative and celebrated manufacturer, fabricator, and supplier in the market by 2026. Through unwavering dedication to innovation, quality, and customer satisfaction, we aim to establish ourselves as a trailblazer, redefining industry standards and cementing our legacy as a pioneer in the field of steel fabrication.

**Values:**

CORE VALUE	:	Be integral with truth.
CREATIVITY	:	Be innovative in thought and actions.
QUICK RESPONSE	:	Be faster than earlier response.
TRANSPARENCY	:	Be open and straight forward.
RESPECT	:	Be respectful to other and self.
LEARN & MENTOR	:	Be a consistent self-learner & develop next generation.
SOCIAL RESPONSIBILITY	:	Be helpful to society and contribution in building.

**We do,**

- Analysis of the customer’s needs
- Precise cost assessment
- Design of customized parts and connections
- Structural Drawings
- All Kind of Metal and Steel work Solution As per Client requirement’s

## CEO Message

ReliableDTC was founded at the time when the UAE need a niche contractor to meet the client demand and achieve the project goals and completion on time.

ReliableDTC has acquired several subcontract work in the various strategic project, with wide transportation fleet it has achieved the highest level of success thought-out the year by year with quality and safety considering the well-being of our employees.

Our success is based on the total commitment of our people, who represent our most valuable asset. We are fully committed to staff retention and development.

ReliableDTC businesses work closely with the client's interests in diversity, sharing best business practices and focusing on results. We consistently set ourselves demanding targets and achieve them as the result of hard work, honesty and a strong team attitude - attributes that permeate every stratum of our group.

Amid a period of increasing global complexity, our businesses are solid and sustainably positioned to capture opportunities created by UAE's economic transition to mature growth and increasingly interconnected projects. In the years ahead, we will continue to be driven by the same values that have defined us since ReliableDTC early days a pioneering spirit, a commitment to innovation and a long-term vision. Above all, we remain steadfastly committed to upholding the highest professional standards and driving value for our stakeholders.

**Nur Anis**  
**Chief Executive Officer**

# Corporate Social Responsibility

At Reliable DTC, our commitment to corporate social responsibility (CSR) aligns seamlessly with the visionary goals of the United Arab Emirates (UAE). Guided by core values of integrity, transparency, environmental stewardship, and social inclusivity, we actively engage stakeholders to contribute to the UAE Vision's call for responsible and sustainable business practices.

Environmental sustainability is paramount in our CSR initiatives, resonating with the UAE Vision's emphasis on sustainable development. Through energy conservation, waste reduction, and sustainable practices, we aim to support the UAE's commitment to a green economy and a resilient future.

In line with the principles of the UAE Vision, Reliable DTC prioritizes social inclusivity by promoting diversity and inclusion within our organization and supporting underrepresented groups. Upholding fair labor practices throughout our supply chain, we contribute to the UAE's vision for a cohesive and inclusive society.

Our commitment to community development, philanthropy, and ethical business practices aligns with the UAE Vision's call for responsible citizenship and societal advancement. By adhering to international standards, we seek to create a positive and lasting impact, contributing to the UAE's broader national agenda for sustainable development and prosperity.

This concise CSR policy underscores Reliable DTC's dedication to transparency, accountability, and continuous improvement, reflecting our role as a responsible partner in realizing the UAE Vision for a prosperous, sustainable, and inclusive future.

# QHSE and Sustainability

Reliable DTC recognizes Health and Safety, Quality and Environment as an integral part of our business performance and our culture.

## Commitment

It is our intent to demonstrate an ongoing and determined commitment to improving Health and Safety, Quality and Environmental performance at work throughout our organization.

## Our Employees

At Reliable DTC, we work relentlessly to keep our people safe, prevent workplace accidents and provide a healthy work environment. People receive appropriate training to ensure they can develop their skills and contribute to the success of the business.

## Our Customers

We strive to meet and exceed our Customers' needs and expectations through the application of the industry best practices and procedures.

## Continual Improvement

We set ambitious, measurable and inspiring goals in line with our strategic direction and continually review them. Measuring ourselves against the world's best practices and learning from our past experience enable us to be a leader in our field.
